

Mathematics Department Scholarship Awards

Fall 2008

Jessie F. L. York Scholarship Award

\$1000

This scholarship was endowed by the family to honor Jessie York. An alumna of San Francisco State University, Jessie York's professional career as a mathematics teacher encouraged women to enter the field of mathematics. This scholarship, in the spirit of Jessie York, will be awarded to an **undergraduate** mathematics major so as to further this goal.

The Mathematics Bridge Scholarship Award

\$1000

This award was created and endowed by the Mathematics Department and other donors to encourage mathematics careers among groups historically underrepresented in mathematics. It will be awarded to an **undergraduate** mathematics major so as to further this goal.

Lawrence Chang Memorial Scholarship Award

\$1000

Lawrence Chang graduated from San Francisco State in 1968 and received his Ph.D. in Mathematics from UC Berkeley in 1972. Blind from early childhood, he pursued a teaching and research career until his death in 1983 at the age of 39. The family of Lawrence Chang and the Mathematics Department endows this award to a **graduate** mathematics student whose academic career exemplifies Dr. Chang's commitment to excellence in mathematics.

Sergio Martins Scholarship

\$1000

The Sergio Martens Scholarship was established in 1996 by John Metzger, President of Western States Life Insurance Company in memory of, Sergio Martens, a valued employee of the company, who had taught high school mathematics in Africa before coming here. The scholarship will be awarded to an outstanding **undergraduate** or **graduate** student.
