All transfer applicants from a US institution must meet minimum CSU requirements (International transfer students from foreign institutions are not held to minimum CSU admission requirements including the 4-basic subject areas):

- Complete 60 or more transferable semester units or 90 or more quarter units
- Be in good standing at the last college or university attended
- Complete 30 semester units (45 quarter units) of general education, including four basic skills courses:
  1. One course in oral communication (grade of C- or better)
  2. One course in written composition (grade of C- or better)
  3. One course in critical thinking (grade of C- or better)
  4. One course in mathematics or quantitative reasoning, (grade of C or better)

In addition, students must satisfy the following supplemental requirements to be considered for admission to one of the following impacted majors:
