

FRESHMEN

You are eligible to be reviewed by SF State if you meet the following criteria:

1

You are a high school graduate, or equivalent (GED or High School Proficiency)

2

You must complete the required high school courses with grades of "C-" or better in:

- a. History/Social Science - 2 years required-** including one year of US History or US History/US Government.
- b. English - 4 years required** - Composition and Literature.

3

You must take and submit your SAT or ACT test scores

All freshmen applicants are required to submit SAT or ACT composite scores from a test taken **no later than the December 2016 test dates**.

If you took the **SAT prior to March 2016**, submit SAT Critical Reading and Math scores.

If you took the **redesigned SAT after March 2016**, submit SAT Evidence Based Reading and Writing (EBRW) and Math scores.

Note: The writing portion of the SAT or ACT is not used for admission or placement purposes.

4

You must meet or exceed the minimum eligibility index.

The eligibility index is a weighted combination of high school grade point average during the final three years of high school and a score on either the SAT or ACT. To make a preliminary admission decision, all grades earned in "a-g" courses taken in 10th through 11th grades are used to calculate the high school grade point average (GPA).

Graduates of California high schools or residents of California, as defined for tuition purposes, must have a minimum eligibility index of 2900 using the SAT (prior to March 2016), 2950 if using the NEW SAT (after March 2016), or 694 using the ACT. Nonresidents who are not graduates of a California high school must have a minimum index of 3510 using the SAT (prior to March 2016), 3576 if using the NEW SAT (after March 2016), or 850 using the ACT.

The CSU eligibility index is calculated by using either the SAT or ACT as follows:

If you took the SAT prior to March 2016:

$$(\text{High School GPA} \times 800) + (\text{SAT Critical Reading} + \text{Math Score}) = \text{Eligibility Index}$$

If you took the Redesigned SAT:

$$(\text{High School GPA} \times 800) + (\text{SAT Evidence Based Reading \& Writing (EBRW)} + \text{Math Score}) = \text{Eligibility Index}$$

If you took the ACT:

$$(10 \times \text{ACT composite score without the writing score}) + (200 \times \text{GPA})$$

Residents of California Minimum Eligibility					
GPA	2.00	2.50	2.80	2.99	3.00+
SAT <i>(prior to March 2016)</i>	1300	900	660	510	Must submit test scores. Eligible for consideration with GPA above 3.00 and necessary course requirements.
NEW SAT <i>(after March 2016)</i>	1350	950	710	560	
ACT	30	20	14	10	

Choice of major and application review

SF State is an impacted campus, therefore eligibility for admission is based on:

1. Minimum CSU eligibility standards for local area applicants. Non-local area applicants may be held to a higher standard.
2. Applicants should carefully select their intended majors.

"Local" and "non-local" students

SF State is committed to giving residents in six local area counties priority in the admission process. Local applicants are students who will graduate from a high school in Alameda, Contra Costa, Marin, San Francisco, San Mateo or Santa Clara counties.

Local applicants are guaranteed admission provided they apply by 11:59PM PST on November 30, 2016, comply with all posted deadlines and meet CSU eligibility requirements by the end of the Spring 2017 term. CSU-eligible local applicants applying for admission in impacted majors will be offered admission as an Undeclared major.

Non-local applicants are students who will graduate from a high school located outside of the six counties listed above. Admission is offered to non-local applicants based on the overall space available and may require a higher eligibility index.

Non-residents of California and international applicants must meet higher minimum standard, regardless of major.

Have a back-up plan!

Out of area applicants to SF State should have a back-up plan at an alternative campus that offers the desired major.
