

Job Resources for International Students

HTIR International Student (Paid Internships)

HTIR is a private organization that refers international students to United States colleges and universities that offer paid internship employment to qualified Master degree students. These opportunities (sometimes known as co-op programs or curricular practical training (CPT) programs) allow international students to work while they are also attending classes, even beginning in the first year of their Master's studies.

iStudent City (work for International Students)

At iStudentCity, we know that school is only the beginning. And so, in partnership with major national recruiting agencies, we now offer you a free career placement service specifically designed to meet the special needs of international students. We intend to place you with the best employer possible - preferably one who will sponsor you for an H1-B visa, and maybe even a Green Card. Best of all, it's **free**, unless you get placed, in which case, a minimal charges may apply.
