EXPERIENCE

Student Teacher, George Washington HS, San Francisco, 2001-2002

- Designed & implemented curriculum in Biology, Family Life, and Pre- Algebra.
- Motivated reticent remedial math students.
- Re-structured Family Life coursework to meet needs of both ESL & English speaking students.
- Established a stimulating college-preparatory curriculum in Biology.

Teacher, Pacific Primary, San Francisco, CA, Summer 2001

- Co-taught class of 23 preschoolers. Provided an active summer “day-camp”.

Teaching Assistant, San Francisco Day School, San Francisco, CA, 2000-2001

- Developed & directed after school enrichment activities for 35 elementary students (Science, PE, Cooking, Art, Music, Drama).

Teacher/Counselor, Quail Meadows Science Camp, Hyampom, CA, 2001

- Planned & led outdoor science activities for 7-15 year old students (Astronomy, Biology, Ecology)

Family Planning Counselor, Planned Parenthood, Pacifica, CA, 1998

- Counseled patients on health care, birth control, and sexuality.

ACTIVITIES

Judge, San Francisco Science Fair, 20xx-20xx
