

Can not Run a Query or Report

To turn off the yahoo pop-up blocker:

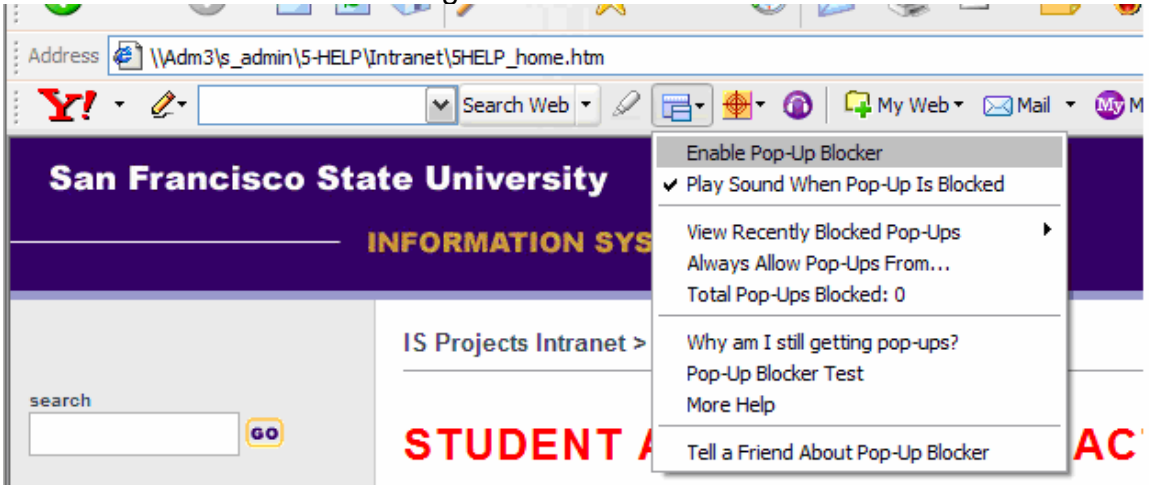

Click on this Symbol

Disable the Pop-up Blocker by clicking on the Enable Pop-up Blocker. This will remove the check mark next to it.

The result will resemble the Page below

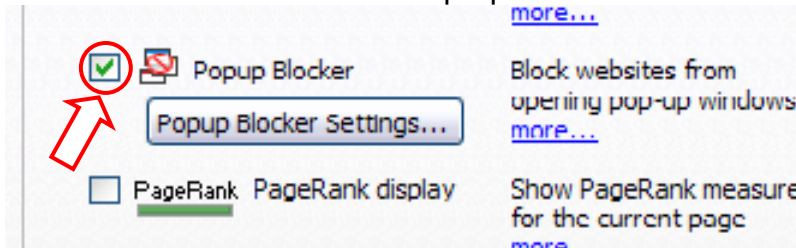

Now, try running the Query or Report again.

For Google tool Bar:

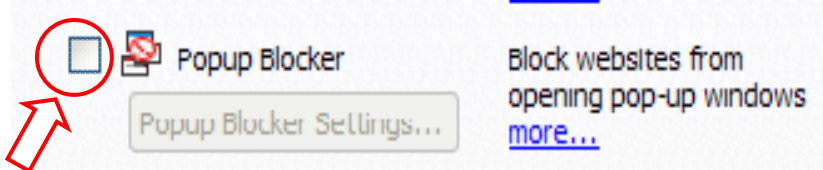

Click on Options

Remove the check mark on Pop-up Blocker check box.

Result will resemble this

Try running the Report or Query again.
