Summer Bridge needs as much information as possible about our students. Please take your time as you complete the following questions and provide us with thorough and thoughtful responses.

Summer Bridge is an intensive academic program, which assists students with making the transition from high school to college. Summer Bridge students participate in courses focusing on study skills, time management, educational & career planning, and knowledge of campus recourses. In the space provided, please discuss how your participation will enhance your educational goals at SF State.

Summer Bridge students attend daily English and Math courses designed to build and develop the skills and knowledge required of successful college students. Briefly describe your experience with English and Math courses you have taken and identify your specific strengths and/or weaknesses in these subjects.
