

## Master of Public Health in Community Health Education ⌘ Program Requirements Contract ⌘

### Program Requirements Contract

The SFSU Master of Public Health Program is designed for working adults.

Participation in the program requires the following commitments from all students:

- 1) Classes two evenings a week
- 2) Classes and required activities Thursday afternoons from 1 pm on throughout the program
- 3) As a part of the Thursday afternoon required activities, a year-long supervised team practice experience on-site at a local community organization
- 4) Classes and activities during the summer after the first year
- 5) Two year minimum time to graduation
- 6) Taking most courses in sequence as a member of a cohort

**IF ACCEPTED INTO THE SFSU MPH PROGRAM, I AM ABLE TO MEET THE SIX PROGRAM REQUIREMENTS OUTLINED ABOVE.**
