Degree Planning Folder

Be sure to:

- Meet with your advisor regularly (i.e., 1x/semester).
- Keep this folder up to date and keep copies of all your records.
- Have your Liberal Studies Worksheet signed by your advisor and on file at least one semester before graduation.

BA Degree = 120 units (minimum)

Numbers are Important! The following must be true at the time of graduation:

- 1) You must have at least 120 semester units to graduate with a BA degree. Total units completed at time of graduation:
- 2) At least 40 of the 120 semester units must be UPPER DIVISION (courses numbered 300-699 at SFSU). They may be in your major, GE, general electives, or in a minor (optional). Community College work can never count for upper division credit. Total upper division units (40 units minimum):
- 3) RESIDENCE REQUIREMENTS: At least 30 of the 120 units must be taken at SFSU. Total units taken at SFSU:
These must include at least:
_____ 24 Upper division (of which 9 are GE Segment III)
_____ 12 in Liberal Studies major (lower or upper division)
(Courses taken through Open University do not count as residence units.)
- 4) CREDIT/NO CREDIT:
No more than 30% of units taken at SFSU may be taken using the Credit (CR) grading option. A maximum of 2 courses may be taken for CR in the Liberal Studies Major.
- 5) DOUBLE COUNTING: A maximum of 12 units may meet requirements in both the Liberal Studies major & Segments I (QR only) II, & III of GE. Units earned will be credited only once. There is no limit on units double-counted between a minor & GE. (If appropriate, Liberal Studies majors may double count all 9 of their GE Segment III units)
Total units double counted between LS and GE:
- 6) MAXIMUM CREDIT ALLOWABLE TOWARDS GRADUATION:
_____ Extension and correspondence (24 maximum)
_____ Community college (70 maximum)
_____ Exam or C.E.E.L. (30 maximum, not including Advanced Placement or military units)
- 7) MINIMUM GRADE POINT AVERAGE: In order to graduate, you must have a 2.0 GPA in all college work, in all work taken at SFSU, in the Liberal Studies major and your minor (if you have one). To determine your GPA, divide grade points by units attempted.

RECOMMENDED ADDITIONAL SUBJECT MATTER PREPARATION PROGRAM FOR STUDENTS PURSUING THE MULTIPLE SUBJECT CREDENTIAL

Students seeking the Multiple Subject Credential must pass the CSET: Multiple Subjects exam. To prepare for the CSET, students are advised to complete the subject matter preparation program, which is comprised of the Liberal Studies major plus the recommended subject matter courses listed below. By completing this program, you will have studied all of the subject matter areas covered by the CSET. The additional subject matter program does not waive the CSET, but serves as a preparation program for the CSET and for elementary school teaching. While we recommend completing the entire program, you may choose only those classes you feel you need to prepare for teaching and the CSET.

Students interested in becoming elementary or special education teachers should also attend an information meeting given by the Teacher Preparation Center. At the meeting, students learn all of the credential program admission requirements. Consult www.sfsu.edu/~cstpc or 415-405-3594 for more information. General information about teaching careers may be found at the Teacher Preparation Center in BH 244. **Note that many of the courses listed below may fulfill GE and other graduation requirements. Consult Liberal Studies section of the Bulletin for complete list of appropriate courses.**
