II. University Transcript.

Please provide a transcript from your most recent or current University – this DOES NOT need to be an official transcript, an unofficial copy is fine.

Please list in the spaces provided OR attach CV/resume that addresses the following (note: no previous experience is required):

A. Previous Archaeology, Classics, and related courses:

B. Previous field experience, if any (Site location, Project Director, dates, mode of participation):

C. Other experience (e.g. archival work, surveying, lab courses, soils analysis, etc.):

D. Other special skills (e.g. drafting, photography, computer applications):

IV. Referee Information.

Please provide the contact details for two academic or professional referees and one ‘character referee’ in support of your application. These individuals may be contacted by the selection committee via phone or email and should be willing to answer questions about your academic performance, professionalism, and potential for field work with a small, professional project. *They do not need to supply a formal, written reference.*

The ‘character referee’ should be someone who can speak to how you interact in a group dynamic - *not* your best friend, but instead someone like a sorority president, academic club chairman, roommate, sport captain, or newspaper editor; someone who has seen you under pressure and knows how you respond.

PLEASE NOTE: Applicants are responsible for ensuring their referees expect to be contacted.

Application for **Internship with the
Via Consolare Project in Pompeii 2018**
San Francisco State University, San Francisco, CA

Other requirements:

Work in Pompeii involves strenuous physical activity. If you are accepted, you will be asked to complete a Medical Questionnaire in order to help us meet your needs and ensure the safety of all team members. Physical injury, insect, or even snakebites, as well as illnesses, though unlikely, are always a possibility when engaging in archaeological fieldwork.

If accepted, you will be required to sign a Waiver of Liability and to provide proof of appropriate health insurance plus a recent tetanus vaccination.

No further vaccinations beyond those recommended for all travelers by the CDC are required for fieldwork in Italy. Please visit: <https://wwwnc.cdc.gov/travel/> for more information.

PLEASE NOTE:

Applicants must be available to attend for the entire season with **arrival on or about 8th June and departure on or about 1 August.**

Applicant's Signature: _____ Date: _____

**APPLICATIONS WILL BE PROCESSED UNTIL ALL POSITIONS ARE FILLED
SO PLEASE APPLY EARLY.
THE FINAL DEADLINE FOR APPLICATIONS IS 31 APRIL 2018.**

Please be aware that the number of positions available is very limited and competition can be quite fierce. Your application does not guarantee acceptance for participation. It is therefore highly recommended that you also apply to other field projects in order to avoid disappointment.

Please send complete application and direct any questions to:
