Business Theme Community Participant Agreement

Name_________________________________  Student ID Number_____________________

First/Middle/Last

The Business Community is designed for first-year students who have decided to or are considering majoring in business. The Business Community LLC will include the following majors:

- Accounting
- Business Management
- Corporate Finance
- Decision Sciences
- Entrepreneurial/Small
- Financial Services
- Hospitality and Tourism Management
- Information Systems
- International Business
- Management
- Marketing

Business is a large and exciting field and students will learn about the wide variety of business careers and the concentrations offered to business majors and minors. Being a member of the Business Community provides an excellent opportunity to be a part of a strong community, gain academic advice and support, learn about cultural identity and have a lot of fun!

Please sign and return with your housing license agreement.

EXPECTATIONS OF PARTICIPANTS: Please initial each statement to indicate you have read and understand the agreement. The community is designed to function as an academic living environment. Therefore, by enrolling in this living learning environment, I agree to the following:

- _____ I am currently majoring (or intend to major) in one of the majors listed above: Major or Intended Major: ________________________.

- _____ I will actively participate in the mandatory meetings with my floor and Resident Assistant (RA).

- _____ I make a commitment to attend one of the four business major related programs hosted by my Resident Assistant (RA) per semester.

I have read and understand each point indicated above. By printing my name I am agreeing to actively participate in my chosen learning community.

Print Name: ___________________________  Date: ___________________________

This agreement is binding for both fall and spring semesters.
