Being a transfer student is interesting because you are caught between knowing how college works, but not knowing how SFSU works. Living in New Beginnings is designed to give transfer students the resources needed to be successful at SFSU while providing the opportunity to network and connect with others who are new to SFSU.

Transfer students will have the chance to explore the city, develop skills to be successful in an internship/job, and learn how to take their academics to another level.

Please sign and return with your housing license agreement.

EXPECTATIONS OF PARTICIPANTS: Please initial each statement to indicate you have read and understand the agreement. The community is designed to function as an academic living environment. Therefore, by enrolling in this living learning environment, I agree to the following:

❖ _____ I will actively participate in the mandatory meetings with my floor and Resident Assistant (RA).

❖ _____ I will make a commitment to attend one of the four New Beginnings related programs hosted by my Resident Assistant (RA) per semester.

I have read and understand each point indicated above. By printing my name I am agreeing to actively participate in my chosen theme community.
