Science & Technology Theme Community Participant Agreement

Name_________________________________  Student ID Number________________________________

First/Middle/Last

The Science & Technology Theme Community (STTC) is specifically for first-year students who have declared or are interested in majoring in one of the following majors:

- Applied Mathematics
- Atmospheric and Oceanic Sciences
- Biochemistry
- Biology (several Concentrations)
- Chemistry, Civil Engineering
- Clinical Science, Computer Engineering
- Computer Science
- Earth Sciences
- Electrical Engineering
- Geography
- Geosciences
- Mathematics
- Mechanical engineering
- Meteorology
- Physics and Astrophysics
- Psychology
- Physiology
- Statistics
- Zoology

Being a member of the STTC community provides an excellent opportunity to be a part of a strong community, gain academic advice and support, learn about cultural identity and have a lot of fun!

Please sign and return one copy with your housing license agreement.

EXPECTATIONS OF PARTICIPANTS: Please initial each statement to indicate you have read and understood the agreements for participating in the Science and Technology Theme Community. The Science and Technology Theme Community is designed to function in an academic living environment. Therefore, by enrolling in this living learning environment, I agree that

- ☐ I am currently majoring in or intend to major in a degree within the College of Science and Engineering. Intended Major: ____________________________.
- ☐ I will actively participate in the mandatory meetings with my floor and Resident Assistant (RA).
- ☐ I make a commitment to attend one of the four Science and Technology related programs hosted by my Resident Assistant (RA) per semester.

I have read and understand each point indicated above. By printing my name I am agreeing to actively participate in my chosen learning community.

Print Name: ____________________________  Date: ____________________________

This agreement is binding for both fall and spring semesters.
