Hello Again,

The last projects from 197-204 has been changed to 198-205.

Floor plan and all updated documents will be uploaded on the website <http://www.sfsu.edu/~science/sps.html> shortly.

Day of the Event: You may invite your friends and family to attend the event. However, they shouldn't be hanging out at your station and crowd the competition area. They may walk around to check out other posters and visit your station once in a while. The recommended dress code is business casual with slacks/khakis/skirts and button down shirts. Plan to stand up for 2.5 hours. There will be limited chairs.

You may come to ANNEX I from 9 am to set up if you think it takes a long time. You must check in by 11 am since there are 200+ project and the lines will be long.

Poster boards, easels, office supplies have been moved to ANNEX. I will not be in my office tomorrow.

If you have questions, please reply to this email and change the subject line to reflect your Project #. No phone calls please.

Good luck and Have fun!!!!!!

Let's SHOWCASE!

Cheers,

Lannie
