Subject	Title/Number	Units	Grade	*Grade Points	College
Zoology					
Botany					
Physiology					
Miscellaneous Science					

Grade points are calculated by: units per course multiplied by grade points indicated below.

The following grade points are assigned per unit of course work:					
	A = 4.0	C+ = 2.3	F = 0.0		
	A- = 3.7	C = 2.0			
	B+ = 3.3	C- = 1.7			
	B = 3.0	D+ = 1.3			
	B- = 2.7	D- = 0.7			
	Total Units =				
	Total Grade Points =				
	Grade Point Average, (GPA) =				
	<i>GPA is calculated by: Total Grade Points Divided by Total Units</i>
