415-355-7400

The Community Health Network is composed of the above neighborhood clinics plus various dental and specialty clinics. Those wishing to join this county managed care system can call Patient Referral at 415-206-5166 or call the nearest neighborhood clinic to make an appointment. Once seen by a provider the patient can meet with an eligibility worker at the clinic and register for membership. Only San Francisco residents are eligible. Fees are on a sliding scale.
