AREAS FOR PROFESSIONAL GROWTH AND DEVELOPMENT

In determining the areas of need and/or interest for professional growth and development, candidates for the Professional Level II Education Specialist Credential should consider the elements addressed by the California Standards for the Teaching Profession: (1) Engaging and Supporting All Students in Learning; (2) Creating and Maintaining an Effective Environment; (3) Understanding and Organizing Subject Matter; (4) Planning Instruction and Designing Learning Experiences; (5) Assessing Student Learning; and (6) Developing as a Professional Educator. The following standards are program specific:

Standard 13: Parent and Staff Development and Education

Standard 14: Management and Leadership

Standard 15: Advanced Studies and Special Topics

Standard 19: Professional Development—English Learner Authorization

Professional Goals for Standards 13-15: List specific goals, activities, and evaluative measures which would address identified needs and/or interests.

NOTE: Non-University professional development activities may consist of up to 25% of the Level II program requirements.
