Hong Kong Polytechnic University www.polyu.edu.hk/

The Hong Kong Polytechnic University (Poly U) has a proud and illustrious history dating back to 1937. The university's mission is to provide high quality education of an applied nature in accordance with the changing needs of the society. Poly U is committed to equipping students with professional competency, as well as maintaining a strong partnership with the business and industrial sectors. While exchange students can make friends from all over the world within Poly U's diverse student body, they will be amazed to find how quickly they feel like locals in Hong Kong's friendly and helpful community. The dynamic city life and beautiful countryside are widely appreciated by students at Poly U.

Academic Program

According to three independent surveys, business and industrial leaders rank Poly U graduates and Poly U programs the highest in practical value to employers. Poly U's English learning environment enables overseas students to easily adapt to campus life. In addition, Putonghua, Mandarin, and general education courses enrich students' knowledge about the Chinese language and culture.

Hong Kong, China

Hong Kong is one of the most dynamic and prosperous metropolitan cities of China and indeed, anywhere in the world. Combining 5,000 years of Chinese tradition and around 150 years of western influence, Hong Kong presents you with an ever-changing kaleidoscope of color and culture.
