The University of Aarhus: <http://www.au.dk/en>

Quality in both research and education has been the goal of the University of Aarhus since its early beginnings in 1928.

The University of Aarhus plays a decisive – and essential – role at the hub of the city of the same name. Aarhus has a reputation for education and training – a brand that extends well beyond Denmark’s borders. It is a lively, modern university, which collaborates with the business community, cultural centers and other universities throughout the world. It is among the most renowned universities in the world, offering extensive coursework in English in a variety of disciplines. The University of Aarhus is the number 2 ranked university in Denmark, number 4 in Scandinavia, number 41 in Europe and number 114 in the world.

The City of Aarhus

Aarhus is a vibrant university town with many cultural attractions to offer. It has all the advantages and resources of a big city while keeping it to a manageable size. In Aarhus, everything is within biking distance. The various bars, cafés and restaurants make it the perfect destination for the large student community. Each year the town also hosts a variety of Festivals and concerts.
