Established in 1955 by American James Graham, Chung Yuan Christian University started as a polytechnic college of the Christian faith specializing in engineering and sciences, eventually expanding to become a comprehensive university in 1980, and today is a bastion of academic excellence housing 27 academic departments and 2 graduate institutes in seven colleges. The university is currently home to some 15,000 students, including over 100 students from countries abroad.

Chung Yuan Christian University is unique in serving students of San Francisco State University in the areas of industrial design and Chinese language study. Students with beginning to intermediate level Chinese language skills may enroll in the university's many Chinese language classes for foreign students, whereas those with advanced level proficiency aspiring to a career in language teaching may be eligible for a wide variety of teacher training courses in the Department of Applied Chinese.

Chungli, Taiwan

Just under an hour by bus or train from Taipei, the city of Chungli is famous for its rural charm, its historical temples, and its vibrant night market. Many of the inhabitants of Chungli are of the minority Hakka ethnic group, known for their unique handicrafts and culinary traditions, and as such, Chungli is one of Taiwan's premier centers for Hakka Culture. Historically, Chungli and environs was nicknamed Taiwan's "Garden of Peaches", as peach blossoms used to line the city's major thoroughfares. In recent years, the city has seen a significant influx of foreign migrant workers, and is fast becoming a major industrial center.
