Koç University was founded in 1993 as a non-profit foundation university located in Istanbul. The mission of Koç University is to be a center of excellence, one that strives to provide a world-class education to its students, create a new knowledge via the research of its faculty, apply the acquired knowledge for the benefit of society, and equip its students with the highest sense of ethics, social responsibility and good citizenship. At Koç University students acquire the intellectual courage to inquire and question while concurrently developing the character necessary to serve as custodians of democratic values and freedom. Guided by the highest standards of academic and interpersonal development, the institution collectively imparts the critical thinking necessary to analyze knowledge, the creativity to nurture and surpass this knowledge, and the curiosity for life-long learning.

With its prominent faculty, KU is one of the leading research institutions in Turkey embodying 72 laboratories and research centers. KU's faculty attracts an enriching combination of Turkey's most established senior researchers and recent PhD's from top research institutions worldwide. There is an exceptionally low student to staff ratio 10:1 with 400 faculty members and 4,400 students in total.
