With over 80 different nationalities represented on campus, the multi-cultural staff and student body of EBS London reflects the globalizing business world in which MBA graduates operate. This international environment gives students the opportunity to benefit from cultural awareness and cross-cultural communication, whilst developing wide social and professional networks and deep personal friendships.

London Campus

EBS London is the UK's oldest and largest private business school, and is located centrally in Regent's Park, one of London's most beautiful parks. Alongside the canal, lake and diverse wildlife, the Park hosts a number of sporting and cultural events throughout the year and is home to London Zoo and the Open Air Theatre.
