Founded in 1920, Swansea is a vibrant, research-led university at the forefront of academic and scientific discovery. The University at Swansea is part of the University of Wales and has about 8,000 undergraduates and postgraduates. The campus is situated in acres of parkland, just a two minute walk to the sea and a magnificent three mile long sandy beach. Voted the "Best Student Experience" in the UK, Swansea University takes pride in offering prospective students excellent programmes as well as a brilliant campus life. You'll find Swansea, the university between the city and the sea, a terrific mix of the outstanding natural beauty of the Gower peninsula and a thriving community with theatres, cinemas, restaurants and more. On the campus itself you'll find excellent sports facilities, the Taliesin arts centre, a wide range of catered restaurants, and a number of other services.

Swansea, Wales, United Kingdom

Swansea is Wales' second largest city. With a population of approx. 200,000 Swansea enjoys the benefits of a city that is both an important commercial center and a tourist destination. The city's open air market dates back to the Middle Ages and many other shops around the Maritime Quarter add to Swansea's great charm. Swansea has cinemas, numerous restaurants offering cuisine from a dozen countries, a major art gallery, and two museums. Swansea offers the chance to live and study in a part of Britain with its own culture, language and historical traditions. Yet London is less than three hours away by train and fast bus travel also links Swansea with London, Birmingham, Bristol, the North of England and Scotland.
