TRANSFERS
You are eligible to be reviewed by SF State if you meet the following criteria:

1. You are an upper division transfer
   No lower division transfer and no second baccalaureate applications will be accepted. *(Exception: Students with a bachelor's degree may apply to the BSN Nursing program. Visit www.nursing.sfsu.edu for more information)*

2. You must meet the following criteria:
   - Complete 60 or more transferable semester units or 90 or more quarter units
   - Earn a college grade point average of 2.00 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
   - Be in good standing at the last college or university attended
   - Complete 30 semester units (45 quarter units) of general education, including four basic skills courses:
     1. One course in oral communication
     2. One course in written composition
     3. One course in critical thinking
     4. One course in mathematics or quantitative reasoning, with intermediate algebra as a prerequisite

   **For fall admission:** The four basic skills courses and minimum of 60 transferable semester units (90 quarter units) must be completed by the spring semester prior to fall admission.

   **Earn a "C" or better grade in each basic skills course.**
Choice of major and application review
SF State is an impacted campus, therefore eligibility for admission is based on:
1. Minimum CSU eligibility standards for local area students. Higher standards will apply to non-local area applicants.
2. Applicants should carefully select their intended majors. Transfers may not choose “undeclared.”

"Local" and "non-local" students
SF State is committed to giving residents in six local area counties priority in the admission process. Local applicants are students who have a local address and who earned the majority of their transfer units from a community college within Alameda, Contra Costa, Marin, San Francisco, San Mateo or Santa Clara counties.

Local applicants are guaranteed admission provided they apply by 11:59PM PST on November 30, 2015, comply with all posted deadlines and meet CSU eligibility requirements by the end of the Spring 2016 term. CSU-eligible local applicants who are not accommodated in impacted majors will be offered admission in their declared “alternate non-impacted major” listed on their CSU Mentor application.

Non-local applicants are offered admission based on the overall space available and may require a higher grade point average.

Supplemental Criteria—Impacted Majors
Many impacted majors require a supplemental application from all transfer applicants. Transfer applicants may be requested to submit additional information and should be prepared to meet all associated deadlines. All transfer applicants compete for admission to impacted majors and are assessed and ranked according to grade point average and supplemental course criteria.

Have a back-up plan!
Out of area applicants to SF State should have a back-up plan at an alternative campus that offers the desired major.
