Assistant/Associate Professor of Management  
Department of Management  
College of Business  
San Francisco State University

A full-time tenure-track position is available at the Assistant or Associate level, starting Fall 2007. Closing Date: December 15, 2006 or until filled.

The Department of Management at San Francisco State University is seeking candidates for a full-time tenure-track position for Fall 2007 in Organization Behavior, preferably with a specialization in leadership. Additional areas of interest include teaching courses in Organization Theory, Diversity, and Creativity and Innovation in the undergraduate and graduate programs.

The SFSU College of Business is an AACSB International accredited school, currently enrolling 5,000 undergraduates and 1,000 graduate students with over 120 full-time faculty. The College of Business also is host to the Ohrensall Center for Entrepreneurship, Family Enterprise Center, Asian Pacific Rim Institute for Developing Enterprises, and the Center for Electronic Business. The College of Business ranks second nationally in awarding undergraduate degrees to Asian students. The SFSU campus maintains the third highest enrollment of international students among masters degree institutions in the nation and is attended by international students from over 70 nations.

San Francisco State University is one of 23 campuses in the California State University (CSU) system. The CSU is now the largest university system in the country, with nearly 405,000 students and more than 44,000 faculty and staff members. SFSU is a comprehensive institution located in a diverse and international urban setting. SFSU serves a multicultural student body of approximately 29,000 and offers more than 200 degree programs. The University seeks to provide a climate for learning that promotes appreciation of scholarship, freedom, and human diversity. SFSU is an Equal Opportunity employer with a strong commitment to diversity and encourages applications from women, members of all ethnic groups, veterans, and people with disabilities.

Candidate Qualifications:

- Doctorate Degree in Management, Organizational Behavior, or related field preferably from an AACSB accredited school (degree must be completed prior to appointment date).
- A clearly demonstrated record of effective teaching and research promise.
- Additional competencies (business/management experience, consulting, etc.) are plus factors.
- Awareness of, and sensitivity to, the educational goals of a multicultural and socially diverse urban university population.
