## INFORMATION

The regulations of the Berkeley Division of the Academic Senate requires the following procedures for all grades assigned Fall Semester 1983 and later:

1. Units for an I grade are not to be included in computing the student's grade point average.
2. For GRADUATE STUDENTS, the method of replacement of the I grade by a final grade will be determined by the Dean of the Graduate Division and the Graduate Council.
3. For UNDERGRADUATE STUDENTS, an I grade must be replaced by the following deadlines:

<u>I Grade Received</u>	<u>Deadline for Replacement of I GRADE</u>
Fall Semester	First day of instruction in following Fall Semester
Spring Semester or Summer Session	First day of instruction in following Spring Semester

Any I grade which has not been replaced by the deadline will be converted by the Office of the Registrar (OR) to the grade of F (or NP if the course was taken Passed/Not Passed). Thereafter, the "F" grade is included in computing the student's grade point average.

4. An UNDERGRADUATE STUDENT may, within the above deadlines, notify in writing the Dean of the College, School or Division in which the student is enrolled at that time, that he or she will not attempt completion and request that the I grade not be replaced by an "F" or "NP." This may be accomplished by filing the "Petition to Retain an Incomplete Grade Permanently on the Record" with the Dean. The Dean will forward this information to the Office of the Registrar and the grade will not be replaced by an "F" or "NP." This policy is limited to two courses, and the "I" grade will be retained permanently on the student's Academic Record.
